NOV 2024

A NEW TEAM MEMBER

In July 2024 we welcomed Rebecca Giles (image right) to the East Wivelshire Team as Administrative Assistant. Rebecca has been working with our Strategic Rural Dean, Revd Michael Johnson, other key members of the East Wivelshire clergy, support staff and volunteers to establish new networks. Rebecca has been collating information to create a useful 'Deanery Directory', to enable the clergy and key people to connect with each other, while also ensuring all information is up to date so anyone in the church, or wishing to get in touch, is easily able to reach a contact point for any of our 32 churches and chapels across the Deanery.

DEANERY WEBSITE LAUNCH

We have a new deanery website here:
<https://eastwivelshire.org/>

This has been one of Rebecca's first priorities, working with Ruth Edmondson, to whom we owe a huge thank you for generously offering her skills and many hours to build something really quite super! By creating an online presence for East Wivelshire Deanery, we are providing:

- a Who's Who for all our churches
- a quick way to find every church (click on 'Directions' and see how much easier it is!)
- an online place to land for any church that doesn't have its own website
- a visible sign of our shared identity and the growing relationship between our churches
- a place to share news, events, and information
- a place to connect with all the key contacts and churches across the deanery
- a contact to find out more or to answer queries

We want the website to be useful for as many people as possible, so constructive comments are very welcome.

Social Media

We would also like to invite you all to follow the East Wivelshire Deanery Facebook Page which can be found by either searching 'East Wivelshire Deanery' or giving us a 'like' and 'follow' at:
